Christmas Greetings

Greetings All:

Each year we strive to arrange a high quality, fun-filled luncheon that exemplifies the spirit of the holiday season. Our Christmas luncheon provides great food and fellowship, combined with a few good laughs, which we all occasionally require in the insurance industry. It is with pride that we can say that our annual holiday luncheon has grown to become a huge success, and that success is in large part due to the generous support that many of you have provided in the past.

As you know, the cost of maintaining the quality of this event increases on an annual basis from the meals, the venue, and the top-notch entertainment.

Your contribution would be gratefully acknowledged.

Comedian Sponsorship: $250 *contribution*

Door Prizes: *If you are interested in contributing a door prize, please let us know.*

The day is sure to be filled with great food and entertainment, so make sure to RSVP quickly for your group, and let us know if you can participate as a sponsor this time around.

We look forward to seeing you all on Thursday, December 3rd!
